EDUCATION AND TRAINING

Postgraduate Training

Pharmacy Practice Residency with Ambulatory Care Emphasis
Regional Medical Center, Memphis, Tennessee
July 2003 - June 2004

Graduate/Professional

University of Arkansas for Medical Sciences College of Pharmacy, Little Rock, Arkansas
Doctor of Pharmacy Degree
August 1999 - May 2003

Undergraduate

University of Central Arkansas, Conway, Arkansas
Pre-Pharmacy curriculum
August 1996 - May 1999

ACADEMIC APPOINTMENTS

Associate Professor
Department of Pharmacy Practice
College of Pharmacy
University of Arkansas for Medical Sciences
July 2011 – present

Assistant Professor
Department of Pharmacy Practice
College of Pharmacy
University of Arkansas for Medical Sciences
July 2009 – June 2011

Assistant Professor
Department of Clinical Pharmacy
College of Pharmacy
University of Tennessee Health Science Center
April 2005 – July 2009

Assistant Professor
Department of Family Medicine
College of Medicine
University of Tennessee Health Science Center
November 2007 – July 2009

PRACTICE AND PROFESSIONAL EXPERIENCE

Nexus Clinical Solutions
Pharmacy Consultant
February 2014 – present

University of Arkansas for Medical Sciences Outpatient Center
Clinical Pharmacist
July 2009 – present

University of Tennessee Health Science Center-St. Francis Family Practice Center
Clinical Pharmacist
October 2005 – July 2009

Director of Clinical Services/Consultant Pharmacist
NCS HealthCare, An Omnicare Company
Memphis, Tennessee
July 2004 - October 2005

Staff Pharmacist
Regional Medical Center
Memphis, Tennessee
July 2003 - June 2004

CERTIFICATION

Arkansas State Board of Pharmacy Credentialed Provider for Disease State Management Services. March 2010
Certified Diabetes Educator. National Certification Board for Diabetes Educators. December 2008

TEACHING EXPERIENCE

University of Arkansas for Medical Sciences

Course Coordinator

PhPr 5654 Patient Assessment and Application 4(2-2) Spring 2010 – 2012 (~120 students)

Lecturer

PhSc 5191 Pharmaceutical Evaluation and Policy Seminar
“Patient Centered Medical Home” 1 contact hour

PhPr 5635 Therapeutics II, Fall 2010- 2011 (~120 students)
“Developing an Assessment” 1 contact hour

PhPr 3422 Career Orientation and Communications, Fall 2010 (~120 students)
“Blood Pressure and Blood Glucose Measurements”

PhPr 5654 Patient Assessment and Application, Spring 2010 - 2011 (~120 students)

- “Patient Interviewing” 1 contact hour
- “Conflict Management” 1 contact hour
- “General Assessment and Vital Signs” 1 contact hour
- “Peripheral Vascular Disease” 1 contact hour
- “Cardiovascular System Assessment” 1 contact hour
- “Endocrine System Assessment” 1 contact hour
- “Skin, Hair and Nails” 1 contact hour
- “Head, Eyes, Ears, Nose, and Throat” 1 contact hour
- “Musculoskeletal Assessment” 1 contact hour
- “GI and Hepatic Assessment” 1 contact hour

PhPr 4625 Therapeutics I, Spring 2010 - 2011 (~120 students)

- “Principles of Dialysis” 1 contact hour
- “Erectile Dysfunction” 1 contact hour
- “Urinary Incontinence” 1 contact hour
- “Benin Prostatic Hyperplasia” 1 contact hour

PhPr 5734 Pharmacy Management, Spring 2010 - 2011 (~120 students)

- “Disease State Management Credentialing” 3 contact hours

PhPr 4625 Therapeutics I Recitation, Spring 2010 (~120 students)

- “Developing an Assessment” 2 contact hours

Patient Care Lab Coordinator

PhPr 5654 Patient Assessment and Application, Spring 2010 - 2011

- “Patient Interviewing” 3 contact hour
- “Vital Signs and Peripheral Vascular System” 3 contact hour
- “Patient Interview, BP and Counseling” 3 contact hour
- “Immunization Technique” 6 contact hours
- “Cardiovascular System Assessment” 3 contact hour
- “Diabetic Foot and Glucometers” 3 contact hour
- “Lung Sounds and Peak Flow Meters” 3 contact hour
- “Cranial Nerves and Stroke” 3 contact hour
- “Putting it all Together: The Cardiovascular Patient” 3 contact hours
- “Putting it all Together: The Asthma Patient” 3 contact hours

Experiential Teaching

Preceptor, PhPr 6724 APPE Ambulatory Care Rotation
UAMS Outpatient Center (~18 students/year)

Post-doctoral Education

Preceptor, UAMS PGY1 Ambulatory Care Rotation
UAMS Outpatient Center (3 month/year)

Preceptor, CAVHS PGY2 Ambulatory Care Rotation
UAMS Outpatient Center (1 month/year)

Facilitator, UAMS Internal Medicine Residency Orientation Week Clinical Pharmacist
Observation

Facilitator, UAMS Internal Medicine Resident Clinic Topic Discussions
“Anticoagulation Management”
“Diabetes Management”

UAMS Postgraduate Teaching Certificate Program
Portfolio Review Committee, 2010 - 2011
Evaluator, Resident Teaching Skills in Recitation, 2010- 2011
Presenter, "Developing an Effective Student Rotation" 2010 - 2011

Interprofessional Education

Panelist, Interprofessional Seminar Series on the Electronic Health Record and Emerging Technologies in Clinical Practice, Fall 2010

University of Tennessee Health Science Center

Course Coordinator

PHCY 112 Basic Clinical and Communications Skills 2(1-2) Fall 2006 - Fall 2008
(~200 students)

PHCY 261 Basic Skills Special Projects I Elective (0-2) Fall 2007 - Fall 2008 (~20 students)

PHCY 335 Basic Skills Special Projects II Elective (0-1) Fall 2007 - Fall 2008 (~40 students)

Lecturer

PHCY 112 Basic Clinical and Communications Skills, Fall 2006 - Fall 2008 (~ 200 students)
"Pharmaceutical Care Relationships and Communication" 2 contact hours
"Listening and the Empathetic Response" 1 contact hour
"How to Obtain Patient Information" 1 contact hour
"Documentation of Patient Information" 1 contact hour
"Vital Signs" 1 contact hour
"Assessment of the Patient with Hypertension" 1 contact hour
"Systematic Medication Use Review Process" 2 contact hours

PHCY 321 Therapeutics IV, Fall 2006 - Fall 2008 (~200 students)
"Ophthalmology: Common Ophthalmologic Problems" 1 contact hour
"Ophthalmology: Glaucoma" 1 contact hour
"Sexual Dysfunction" 1 contact hour

PHCY 213 Patient Assessment, Fall 2006 - Fall 2008 (~200 students)
"Eye Examination" 1 contact hour

PHCY 121 Self Care and Nonprescription Drugs, Spring 2006 - Spring 2008
"Home Monitoring and Testing Devices" 2 contact hours
"Ophthalmic Disorders" 1 contact hour

Facilitator/Coordinator, Small Group Active Learning

Laboratory Coordinator, PHCY 112 Basic Clinical and Communications Skills (~200 students)
Fall 2006 - Fall 2008, 2 contact hours/week

Facilitator, PHCY 223 and 313 Applied Therapeutics (~5 students)
Fall 2006 - 2008 and Spring 2006 - 2009, 2-4 contact hours/week

Facilitator, PHCY 122 Introduction to Patient Care (~8 students)
Fall 2006 - 2008 and Spring 2006 - 2009, 2-4 contact hours/week

Facilitator, PHCY 348 Ambulatory Care Selective (~15 students)
Fall 2006 - 2008 and Spring 2006 - 2009
“Hyperlipidemia Management” 3 contact hours

Facilitator, PHCY 213 Patient Assessment Laboratory (~125 students)
Fall 2006 - 2008 “Ophthalmic Exam” 2 contact hours

Experiential Teaching

Preceptor, PHCY 450 APPE Ambulatory Care Rotation
UT-St. Francis Family Practice Center (10 students/year)

Coordinator, IPPE Basic Clinical and Communications Skills Blood Pressure Screening
P-1 (~200 students), P-2 (~22 students), and P-3 (~22 students) provide 6 hour BP
screenings at 5 different pharmacies over 6 weeks, Fall Semester 2007, 2008

Post-doctoral Education

Director, UT College of Pharmacy Ambulatory Care Residency with Emphasis in Academia
March 2007- June 2009

Preceptor, UT College of Pharmacy Ambulatory Care Residency with Emphasis in Academia
October 2005 - June 2009

Preceptor, Pharmacotherapy Rotation at UT-St. Francis Family Practice Center
2 week rotation for 8 Family Medicine Residents per year
October 2005 - June 2009

UTHSC/St. Francis Family Practice Center Noon Conference Lectures

“Sexual Dysfunction” April 7, 2008

“Common Ophthalmic Conditions and Treatments” March 24, 2008

“Assessment and Treatment of the Asthma Patient” January 14, 2008

“Diabetes Jeopardy” October 19, 2007

“General Pharmacology Jeopardy” October 18, 2007

“Getting the most out of your Drug Rep without your Drug Rep getting the most out of you”
September 17, 2007

“Prescription Writing 101” August 27, 2007

“General Principles of Geriatric Pharmacotherapy” April 12, 2007

“Fact or Fiction: Myths of Anticoagulation Management” April 3, 2007

“Cooperative Healthcare Clinic Experiences and UT St. Francis Family Practice Center”
February 13, 2007

“Review of the ADA Consensus Algorithm for the Initiation and Adjustment of Therapy”
January 29, 2007

“Fact or Fiction: Myths of Diabetes Management” November 27, 2006

“The Basics of Anticoagulation with Heparin, LMWH and Warfarin” July 24, 2006

“An Overview of the JNC 7 Guidelines” May 15, 2006

“Byetta” April 17, 2006

“Pharmacotherapy in the Management of Hypertension” June 5, 2006

“Dietary Considerations in Patients Receiving Chronic Oral Anticoagulation” December 5, 2005

“Ulcerative Colitis and Crohn’s Disease” Clinical Pharmacy Week. Vienna, Austria. October 2009

“Student Peer Mentorship: Addressing Faculty Workloads Now and for the Future” Grand Rounds, UT Department of Clinical Pharmacy, February 22, 2007

“Warfarin Drug Interactions” Southeastern College of Anticoagulation Providers, Nashville, Tennessee, September 23, 2006

CLINICAL SERVICE

University of Arkansas for Medical Sciences

UAMS Internal Medicine Resident Clinic

Direct patient care services provided 4 half days a week through a formal referral process and informal consultation from internal medicine residents.

Services include:

- diabetes management
- hypertension management

- hyperlipidemia management
- asthma education and management
- medication reconciliation
- medication counseling
- medication regimen reviews

UAMS Internal Medicine Diabetes Education Program

Comprehensive diabetes education provided one half day a week.

UAMS Anticoagulation Clinic

Anticoagulation Management Clinic one half day a week.

University of Tennessee Health Science Center

UT St. Francis Pharmacotherapy Clinic

Direct patient care services through a formal referral process from both family medicine residents and faculty. Services include anticoagulation, diabetes, hypertension, hyperlipidemia and asthma. Clinic 3 half-days per week six months a year, Face to face patient visits: 9-15 per week six months a year

UTHSC/St. Francis Insulin Management Telephone Service

Insulin adjustment via telephone. Approximately 10 - 15 phone follow-up patient interviews per week six months a year.

UTHSC/St. Francis Collaborative Patient Care Services

Comprehensive medication history and evaluation with recommendations provided to the family medicine resident regarding the patients medication regimen. Approximately 15-25 consults per week six months a year.

COMMITTEE SERVICE

National

Technical Expert Panel (TEP) for the development of the AHRQ TeamSTEPPS Primary Care Medical Office Training Module

Member, American College of Clinical Pharmacy Endocrine and Metabolism PRN Communications Committee

Regional

Director of Sponsorship and Grants, Southeastern College of Anticoagulation Providers Planning Committee (2007-2008)

University of Arkansas for Medical Sciences

University

Member, UAMS Academic Senate Council (2009 - present)

Member, Center for Rural Health Committee (2010 - present)

Member, UAMS Center for Primary Care Data Committee (2010 - present)

Member, Patient and Family Centered Care Leadership Team (2012 - present)

Participant, UAMS Strategic Planning Focus Group (August 2010)

College of Pharmacy

Co-Chair, Assessment Committee (2010 - present)

Member, Assessment Committee (2009 - present)
Member, Curriculum Committee (2010 - present)
Coordinator, Disease State Management Credentialing Program Taskforce (2009 - present)

College of Medicine

Member, Medicine Clinic Reformation Committee (2010 - present)
University of Tennessee Health Science Center

University

University of Tennessee Health Science Center Faculty Senate (2006-2007)
University of Tennessee Health Science Center Clinical Affairs Committee (2006-2007)

College of Pharmacy

Director, UT Practice Based Research Network (2008 - 2009)
Chair, Practice Based Research Network Exploratory Committee (2007 - 2008)
Chair, Resident and Fellowship Committee (2007-2009)
Member, ACPE Self Study Committee on Students (2007-2008)
Member, Faculty Enrichment Committee (2007-2008)
Member, Assessment Committee (2006-2007)
Member, Honors and Awards Committee (2006-2007)

Department of Clinical Pharmacy

Chair, Search Committee for Ambulatory Care faculty position at UT-St. Francis (2007)

Department of Family Medicine

Member, Curriculum Committee, UT St. Francis Family Practice Center (2007 - June 2009)

PROFESSIONAL MEMBERSHIPS

American Association of Colleges of Pharmacy (AACP)
American College of Clinical Pharmacy (ACCP)
 Member, Ambulatory Care Practice and Research Network
 Member, Endocrinology and Metabolism Practice and Research Network
Arkansas College of Clinical Pharmacy, a chapter of the American College of Clinical Pharmacy
 President Elect
American Society of Health-Systems Pharmacy
Phi Lambda Sigma Pharmacy Leadership Society
