Education

- B.A. Sociology**, University of Massachusetts - Amherst, May, 1987.
Special Program: One year at Denmark's International Study Program, University of Copenhagen, 1985-1986.
- M.A. Sociology**, Rutgers University - New Brunswick, New Jersey, May, 1991.
- Ph.D. Sociology**, Rutgers University - New Brunswick, New Jersey, October, 1996.
Dissertation Advisor: Helene R. White, Ph.D.
Qualifying areas: Medical Sociology, Drug and Alcohol Studies, Culture/Social Construction of Reality.

Postdoctoral Training

Department of Psychiatry, Substance Abuse Research Center, University of Michigan, 1996-1997. Postdoctoral advisor: Robert Zucker, Ph.D.

Department of Veterans Affairs, Center for Mental Healthcare and Outcomes Research, Little Rock VAMC, 1997-1998. Postdoctoral Advisor: Brenda M. Booth, Ph.D.

Awards and Scholarships

- 1990-1993 Teaching Assistant Scholarship, Rutgers University, Department of Sociology.
- 1992 Departmental Nominee, Rutgers University Faculty of Arts and Science Teaching Award.
- 1994-1996 Walter C. Russell Scholarship, the Graduate School of New Brunswick, Rutgers University (awarded three straight years).
- 1996 Honorable Mention, Thompson Award-- for best paper by a graduate student. American Sociological Association, section on Organizations and Work.
- 1997 Travel Award, United Nations Drug Control Program and the Indian Law Institute.
- 1998 Junior Investigator Award, Research Society on Alcoholism and National Institute on Alcohol Abuse and Alcoholism.

- 1998 Poster of the Year Award (Postdoctoral), Research Society on Alcoholism and National Institute on Alcohol Abuse and Alcoholism.
- 2003-2008 Mentored Career Award (K01), National Institute on Drug Abuse, National Institutes of Health.
- 2004-2007 National Institutes of Health Loan Repayment Program, \$38,109.
- 2010 Excellence in Research Education Award, South Central Mental Illness Research Education and Clinical Center, Department of Veterans Affairs.
- 2012 Mentor Award, University of Arkansas for Medical Sciences Graduate School.

Professional Memberships

AcademyHealth
 Research Society on Alcoholism
 American Pharmacists Association

Professional Experience

- 1988-1989 **Clinical Counselor**, Spectrum House Inc. (residential substance abuse treatment program), Westboro, MA.
- 1990-1991 **Research Assistant**, Rutgers University Center of Alcohol Studies, New Brunswick, NJ. Principal Investigators: Helene Raskin White, Ph.D., Marsha Bates, Ph.D.
- 1990-1996 **Lecturer**, Department of Sociology, Rutgers University, New Brunswick, NJ. Courses: Sociology of Drug Use, Sociology of Deviant Behavior, Mass Communication in Modern Society, Introduction to Sociology.
- 1996-1998 **Postdoctoral Fellow**, Substance Abuse Research Center, Department of Psychiatry, University of Michigan, Ann Arbor, MI; Department of Veterans Affairs, Center of Mental Healthcare and Outcomes Research, Little Rock VAMC, Little Rock, AR.
- 1998-present **Research Health Scientist**, VA HSR&D Center for Mental Healthcare and Outcomes Research, Central Arkansas Veterans Healthcare System, Little Rock, AR.
- 1998-present **Associate Director**, VA Mental Health Quality Enhancement Research Initiative (QUERI) Coordinating Center, Central Arkansas Veterans Healthcare System, Little Rock, AR.
- 1999-2005 **Assistant Professor (tenure track)**, Department of Psychiatry and Behavioral Sciences, College of Medicine, University of Arkansas for Medical Sciences, Little Rock, AR.
- 2002-2005 **Assistant Professor**, Department of Epidemiology, Fay W. Boozman College of

Public Health, University of Arkansas for Medical Sciences, Little Rock, AR.

- 2002-2011 **Director**, Postdoctoral Fellowship Program, VA HSR&D Center for Mental Healthcare and Outcomes Research, Central Arkansas Veterans Healthcare System, Little Rock, AR.
- 2002-2009 **Associate Director**, T32 Postdoctoral Fellowship Program, NIMH Center for Mental Health Services and Research, Department of Psychiatry and Behavioral Sciences, University of Arkansas for Medical Sciences, Little Rock, AR.
- 2002-2004 **Co-Implementation Research Coordinator**, Mental Health Quality Enhancement Research Initiative, Central Arkansas Veterans Healthcare System, Little Rock, AR.
- 2005-2012 **Associate Professor (with tenure)**, Department of Psychiatry and Behavioral Sciences, College of Medicine, University of Arkansas for Medical Sciences, Little Rock, AR.
- 2005-2012 **Associate Professor**, Department of Epidemiology (until 2009), Department of Health Policy and Management (since 2006), Fay W. Boozman College of Public Health, University of Arkansas for Medical Sciences, Little Rock, AR.
- 2007 **Interim Director**, Division of Health Services Research, Department of Psychiatry and Behavioral Sciences, University of Arkansas for Medical Sciences, Little Rock, AR.
- 2008-2014 **Associate Director**, Division of Health Services Research, Department of Psychiatry and Behavioral Sciences, University of Arkansas for Medical Sciences, Little Rock, AR.
- 2012-2014 **Director**, Postdoctoral Fellowship Program, VA HSR&D Center for Mental Healthcare and Outcomes Research, Central Arkansas Veterans Healthcare System, Little Rock, AR.
- 2013-present **Professor (with tenure)**, Department of Psychiatry and Behavioral Sciences, College of Medicine, University of Arkansas for Medical Sciences, Little Rock, AR.
- 2014-present **Professor (with tenure)**, Department of Pharmacy Practice, College of Pharmacy, University of Arkansas for Medical Sciences, Little Rock, AR.
- 2014-present **Director**, Center for Implementation Research, Colleges of Pharmacy and Medicine, University of Arkansas for Medical Sciences, Little Rock, AR.

Teaching Experience

- 1990-1996 *Sociology of Drug Use, Sociology of Deviant Behavior, Mass Communication, Introduction to Sociology*. Department of Sociology, Rutgers University, New Brunswick, NJ.

- 1991-1995 *Introduction to Sociology*, Gateway Program (special program directed at improving basic skills of nontraditional students), Department of Sociology, Rutgers University, New Brunswick, NJ.
- 1993 *Sociology of Deviant Behavior*, Department of Anthropology and Sociology, Lafayette College.
- 1997 *Psychology of Alcoholism*, Department of Psychology, University of Michigan, Ann Arbor, MI. (Guest lecturer)
- 2001 *Introduction to Sociology*, Department of Sociology, Hendrix College, Conway, AR. (Guest lecturer)
- 2002-2010 Seminar Developer and Instructor, Postdoctoral Fellowship, Division of Health Services Research, Department of Psychiatry, University of Arkansas for Medical Sciences, Little Rock, AR. Courses: *Clinical Epidemiology of Psychiatric Disorders*, *Methods in Health Services Research*.
- 2002-2006 *Methods in Health Services Research* (PBHL 5473), Department of Epidemiology, Fay W. Boozman College of Public Health, University of Arkansas for Medical Sciences, Little Rock, AR.
- 2007-present *The Implementation of Change in Clinical Practice Settings* (HSRE 9653), Health Policy and Management (Ph.D. Program in Health Systems Research), Fay W. Boozman College of Public Health, University of Arkansas for Medical Sciences, Little Rock, AR.
- 2011-present Visiting Faculty, Implementation Research Institute (NIMH R25), Center for Mental Health Services Research, George Warren Brown School of Social Work, Washington University, St. Louis, MO. (Host site visits for visiting fellows, provide feedback and mentoring on their projects.)

Mentoring Experience

- 2006-2008 Tracy Stecker, Ph.D., postdoctoral fellow (co-mentor). Dr. Stecker received two NIH grants while a fellow to test behavioral interventions to improve treatment seeking and engagement in mental health care. She took a faculty position at Dartmouth.
- 2007 Edward Deneke, M.D., postdoctoral fellow (lead mentor). Dr. Deneke was a fellow for one year before moving on to a residency at Michigan. Dr. Deneke concentrated on comorbid substance use and psychiatric disorders and co-authored a manuscript with Dr. Curran on depression and substance use disorders.
- 2008-2011 Jeon Small, Ph.D., postdoctoral fellow (lead mentor). Dr. Small studied motivation and service use for substance use disorders. With co-mentoring from Katherine Stewart, Ph.D., Dr. Small received a diversity supplement to Dr. Stewart's NIDA-funded R01. Dr. Small moved on to a fellowship at the Prevention Research Center (NIAAA), University of California, Berkeley.

- 2009-2012 Justin Hunt, M.D., M.P.H., junior faculty, Division of Health Services Research, Department of Psychiatry, UAMS (co-mentor). Dr. Hunt focused on community-engaged research on access to mental health care. He received NIMH and DoD grants while under mentorship.
- 2009-2012 Patricia Wright, Ph.D. Chair of her dissertation committee. Dr. Wright was a Ph.D. candidate in the Department of Health Policy and Management, Fay W. Boozman College of Public Health, University of Arkansas for Medical Sciences. She is now Assistant Professor, College of Nursing, University of Arkansas for Medical Sciences.
- 2010-2012 James Bellamy, Ph.D. Member of his dissertation committee. Dr. Bellamy was a Ph.D. candidate in the Department of Health Policy and Management, Fay W. Boozman College of Public Health, University of Arkansas for Medical Sciences.
- 2011-present Karen Drummond, Ph.D., junior faculty, Division of Health Services Research, Department of Psychiatry, University of Arkansas for Medical Sciences (lead mentor). From the perspective of provider behavior, Dr. Drummond focuses on the integration of mental health and primary care. She is submitting both NIH and VA grants.
- 2011-2015 Ann Cheney, Ph.D., junior faculty, Division of Health Services Research, Department of Psychiatry, University of Arkansas for Medical Sciences (lead mentor). Dr. Cheney focused on women's health, trauma exposure, and substance use. She worked with Dr. Curran on his VA-funded ethnography of substance use among National Guard members, and another NIDA-funded grant (Borders, PI) on cocaine use. She is now a faculty member at University of California, Riverside.
- 2011-2015 Erin Finley, Ph.D., Research Health Scientist, Veterans Evidence-based Research Dissemination and Implementation Center (VERDICT) at the South Texas Veterans Health Care System. Mentor and Sponsor of Dr. Finley during her involvement in the VA's Enhancing Implementation Science (EIS) Program (year-long training program). Advisor on her VA QUERI grant (funded).
- 2012-present Emily C. Williams, Ph.D., Research Health Scientist, Northwest Center for Outcomes Research in Older Adults, VA Puget Sound, Seattle, WA. Advisor on Dr. William's Career Development Award (funded), Health Services Research and Development Service, Department of Veterans Affairs.
- 2012-2014 Sharla Smith, Ph.D. Member of her dissertation committee. Dr. Smith was a Ph.D. candidate in the Department of Health Policy and Management, Fay W. Boozman College of Public Health, University of Arkansas for Medical Sciences.
- 2013-2015 Teresa Hudson, Pharm.D, Ph.D. Chair of her dissertation committee. Dr. Hudson was a Ph.D. candidate in the Department of Health Policy and Management, Fay W. Boozman College of Public Health, University of Arkansas for Medical Sciences.

- 2013-present Michael Cucciare, Ph.D., junior faculty, Division of Health Services Research, Department of Psychiatry, University of Arkansas for Medical Sciences (lead mentor). Dr. Cucciare focuses on brief interventions for alcohol use and mental health in primary care settings. He is PI of both NIH and VA grants.
- 2013-2015 Traci Abraham, Ph.D., postdoctoral fellow, Center for Mental Health and Outcomes Research (CeMHOR), Central Arkansas Veterans Healthcare System (lead mentor). Dr. Abraham is studying military culture and its impacts of help seeking and therapeutic alliance. She is now an investigator at the CeMHOR.
- 2013-2016 Terri Barrera, Ph.D., postdoctoral fellow, Houston VA Medical Center (co-mentor). Dr. Barrera studied linkage and engagement interventions for persons with anxiety disorders in primary care.
- 2015-present Sara Landes, Ph.D., junior faculty, UAMS Center for Implementation Research; Division of Health Services Research, Department of Psychiatry, University of Arkansas for Medical Sciences (lead mentor). Dr. Landes focuses on implementation of evidence-based psychotherapies. She is submitting both NIH and VA grants.
- 2015-present Ben Teeter, PhD., junior faculty, UAMS Center for Implementation Research; Department of Pharmacy Practice, College of Pharmacy, University of Arkansas for Medical Sciences (lead mentor). Dr. Teeter focuses on implementation of pharmacy practices in community pharmacy settings.
- 2015-present Taren Swindle, PhD, junior faculty, Department of Family Practice, University of Arkansas for Medical Sciences. I am currently lead mentor on Dr. Swindle's NIDDK-funded K01 focusing on developing and testing implementation strategies to support uptake of evidence-based nutrition interventions in childcare settings.
- 2015-present Eva Woodward, PhD, postdoctoral fellow (2015-2017; Assistant Professor, 2018-present) Center for Mental Health and Outcomes Research (CeMHOR), Central Arkansas Veterans Healthcare System (co-mentor) and Department of Psychiatry, University of Arkansas for Medical Sciences. Dr. Woodward is studying implementation science as it relates to reducing disparities.
- 2017-present Anthony H. Ecker, PhD, postdoctoral fellow, instructor, Baylor College of Medicine (co-mentor). Dr. Ecker is preparing an HSRD CDA-2 submission. His proposal seeks to improve access and quality of mental health treatment for co-occurring anxiety disorders and substance use disorders.
- 2017-present Rosemary Nabaweesi, MD, junior faculty, Department of Pediatrics, University of Arkansas for Medical Sciences. Mentor on NICHD minority supplement "Towards Implementation and Sustainability of an Infant Safe Sleep Intervention". She was just awarded a KL2 grant from the NCATS CTSA.
- 2017-present Jennifer A. Callaghan-Koru, PhD, MHS, Assistant Professor, Department of Sociology, Anthropology and Health Administration and Policy (SAHAP), University of Maryland, Baltimore County. I am her formal inter-institution mentor under the University of Maryland, Baltimore County (UMBC)'s Eminent Scholar

Mentorship Program. Under this program, we exchange visits between the UMBC and UAMS campus for scholarly collaboration and mentoring. She submitted an NICHD application titled "Factors the influence the implementation and effectiveness of a patient safety bundle to reduce low-risk cesarean section".

2018-present Jure Baloh, PhD, postdoctoral fellow, University of Arkansas for Medical Sciences (lead mentor). Dr. Baloh is funded by the NIDA T32 awarded to Dr. Clint Kilts. He is studying implementation of evidence-based practices for substance use disorders in an array of clinical and community settings.

National/Local Review and Advisory Committees

2001-present Abstract Reviewer, Department of Veterans Affairs Health Services Research and Development Service National Meeting.

2001 Ad-hoc Reviewer, Department of Veterans Affairs/Department of Defense Clinical Practice Guideline for the Management of Substance Use Disorders in the Primary Care Setting.

2001-2003 Reviewer, Pilot Project Program, South Central Mental Illness Research, Education and Clinical Center, Central Arkansas Veterans Healthcare System.

2002-2003 Chair, Abstract Review Committee, 2003 National Meeting of the Health Service Research and Development Service, Department of Veterans Affairs.

2002-present Abstract Reviewer, National Research Service Award (NRSA) Trainees Research Conference.

2002-present Member, Executive Committee, Mental Health Quality Enhancement Research Initiative (MH QUERI), Department of Veterans Affairs, Health Services Research and Development Service.

- 2003-2008 Member, Executive Advisory Committee, Arkansas Co-Occurring State Infrastructure Grant (Arkansas COSIG), funded by the Substance Abuse and Mental Health Services Administration, administered by the Arkansas Division of Behavioral Health Services.
- 2004-2009 Reviewer, Service Directed Project funding mechanism, Health Services Research and Development Service, Department of Veterans Affairs.
- 2004 Ad-Hoc Reviewer, Behavioral Science Track Awards for Rapid Transition (B/START), National Institute on Drug Abuse, National Institutes of Health.
- 2004-2007 Ad-Hoc Member, Health Services Research Subcommittee (NIDA-F), National Institute on Drug Abuse, National Institutes of Health.
- 2004 Member, Review Panel for T-32 Training Grants, National Institute of Mental Health, National Institutes of Health.
- 2005-2015 Member, Executive Committee, Substance Use Disorder Quality Enhancement Research Initiative (SUD QUERI), Department of Veterans Affairs, Health Services Research and Development Service.
- 2006-2010 Co-Leader, Working Group in Comorbidity of Substance Use/Depressive Disorders, MH QUERI and SUD QUERI, Department of Veterans Affairs, Health Services Research and Development Service.
- 2007 Reviewer, Special Emphasis Panel, Research Education Grants (R25), National Institute of Mental Health, National Institutes of Health.
- 2007 Reviewer, Special Emphasis Panel, Dissemination and Implementation of Research, National Institutes of Health.
- 2008-2010 Reviewer, Loan Repayment Program, National Institutes of Health.
- 2008-2011 Reviewer, Rapid Response Project funding mechanism, Health Services Research and Development Service, Department of Veterans Affairs.
- 2009 Reviewer, Challenge Grants (RC1), National Institutes of Health.
- 2010 Abstract Reviewer, Mental Health and Substance Use Disorder Research National Meeting, Department of Veterans Affairs Health Services Research and Development Service.
- 2011 Abstract Reviewer, 5th Annual Conference on the Science of Dissemination and Implementation: Research at the Crossroads, National Institutes of Health.
- 2011 Reviewer, Career Development Awards (KL2), Translational Research Institute, University of Arkansas for Medical Sciences.
- 2012 Abstract Reviewer, Health Services Research and Development National Meeting, Department of Veterans Affairs Health Services Research and

Development Service.

- 2013-present Member, NIH Dissemination & Implementation Research Methods and Study Designs Workgroup.
- 2013-present Member, Executive Advisory Committee, VA HSR&D Substance Use Disorder CREATE, Palo Alto Veterans Healthcare System.
- 2015-present Member, Strategic Advisory Group, Virtual Specialty Care QUERI Program: Implementing and Evaluation Technology Facilitated Clinical Interventions to Improve Access to High Quality Specialty Care for Rural Veterans, Seattle, WA.
- 2015-present Member, Strategic Advisory Group, EMPOWER QUERI Program, Los Angeles, CA.
- 2015-present Member, Strategic Advisory Group, QUERI Program in Team Based Behavioral Health, Little Rock, AR.
- 2016 Ad Hoc Member, NIH Dissemination & Implementation Review Panel (DIRH), June 2016
- 2016 Reviewer, NIMH, RFA-MH-17-500 "Pragmatic Strategies for Assessing Psychotherapy Quality in Practice." November 2016.

Involvement in University Committees/Activities

- 2001-present Department of Psychiatry faculty search committees (program evaluator, 2001; health economist, 2001-2002; quantitative methodologist, 2003; qualitative methodologist, 2010; quantitative methodologist 2011-2012).
- 2002 Department of Family Medicine faculty search committee (psychologist and vice chair for research).
- 2002-2006 Behavioral and Social Sciences Research Committee, Institutional Review Board, University of Arkansas for Medical Sciences.
- 2002-2011 Postdoctoral Program Advisory Committee (Co-Chair) and Postdoctoral Program Administrative Committee (Chair), Division of Health Services, Department of Psychiatry and Behavioral Sciences, College of Medicine, University of Arkansas for Medical Sciences.
- 2003 Preceptorship and Integration Project Working Group, Fay W. Boozman College of Public Health, University of Arkansas for Medical Sciences.
- 2003-2006 Student Advisor, Department of Epidemiology, Fay W. Boozman College of Public Health, University of Arkansas for Medical Sciences.
- 2005-2010 Member, Residency Research Committee, Department of Psychiatry, College of Medicine, University of Arkansas for Medical Sciences.

- 2005-2010 Member, Quality Assurance Committee (Human Subjects Protection), Division of Health Services, Department of Psychiatry, College of Medicine, University of Arkansas for Medical Sciences.
- 2006-present Member, Steering Committee, Division of Health Services, Department of Psychiatry, College of Medicine, University of Arkansas for Medical Sciences.
- 2006-present Member, Steering Committee, Center for Mental Healthcare and Outcomes Research, Central Arkansas Veterans Healthcare System.
- 2006-2015 Member, Admissions Committee, Ph.D. Program in Health Systems Research, Fay W. Boozman College of Public Health, University of Arkansas for Medical Sciences.
- 2007 Member, Department Steering Committee, Department of Psychiatry and Behavioral Sciences, University of Arkansas for Medical Sciences.
- 2008-2009 Leader, Research MAP Team, Psychiatric Research Institute, University of Arkansas for Medical Sciences (facilitated transition of psychiatric research endeavors into new institute).
- 2009-2013 Member, Health Services Research Core, Translational Research Institute, University of Arkansas for Medical Sciences.
- 2010-present Member, Junior Faculty Mentoring Committee, Department of Psychiatry, Psychiatric Research Institute, University of Arkansas for Medical Sciences.
- 2010-2014 Advisor, Evaluation Core, Translational Research Institute, University of Arkansas for Medical Sciences.
- 2010-2013 Member, Council on External Relations, Psychiatric Research Institute, University of Arkansas for Medical Sciences.
- 2011-2013 Member, Grand Rounds Committee, Department of Psychiatry, Psychiatric Research Institute, University of Arkansas for Medical Sciences.
- 2012-2014 Member, Mentoring Committee, Community Engagement Core, Translational Research Institute, University of Arkansas for Medical Sciences.
- 2013 Member, Promotion and Tenure Committee, Department of Psychiatry, College of Medicine, University of Arkansas for Medical Sciences.
- 2014-present Member, UAMS Northwest Strategic Plan Research Subgroup, University of Arkansas for Medical Sciences.
- 2014-2015 Member, Inter Professional Education (IPE) Pillar Team, Scholarship and Research, University of Arkansas for Medical Sciences.
- 2015-present Member, Leadership Council, Translation Research Institute (CTSA), University of Arkansas for Medical Sciences.

- 2015-present Member, Clinical Transformation Committee, University Hospital, University of Arkansas for Medical Sciences.
- 2015-present Member, Residency Research Committee, College of Pharmacy, University of Arkansas for Medical Sciences.
- 2015-present Member, 12th Street/North Street Clinics Research Advisory Council, University of Arkansas for Medical Sciences.
- 2015-present Member (alternate), Promotion and Tenure Committee, College of Pharmacy, University of Arkansas for Medical Sciences.
- 2016-present Member, Clinical Laboratory Advisory Committee, University of Arkansas for Medical Sciences.

Conference Organizing Activities

- 1994 Organizer/Presider, Roundtable Session, "Sociology of Drug and Alcohol Use", Annual Meetings of the American Sociological Association, Los Angeles, CA.
- 1994 Program Assistant and Co-Rapporteur, Advisory Group Meeting of the World Health Organization on Policies, Legislation, and Programs on Dependence and Harmful Use of Drugs and Alcohol, Cambridge, MA. Host: Harvard University-WHO International Collaborating Center for Health Legislation.
- 1995 Organizer/Presider, Roundtable Session, "Sociology of Drug and Alcohol Use", Annual Meetings of the American Sociological Association, Washington, D.C.
- 1996 Organizer, Roundtable Session, "Sociology of Drug and Alcohol Use", Annual Meetings of the American Sociological Association, New York, NY.
- 2002 Organizing Committee, National Meeting of the Quality Enhancement Research Initiative, Health Services Research and Development Services, Department of Veterans Affairs, Washington, D.C.
- 2003 Organizing Committee, National Meeting of the Quality Enhancement Research Initiative, Health Services Research and Development Services, Department of Veterans Affairs, Washington, D.C.
- 2003 Organizing Committee (and Chair, Abstract Review Committee) National Meeting of the Health Services Research and Development Service, Department of Veterans Affairs, Washington, D.C.
- 2004 Organizer/Presider, two sessions on collaborations between VA and NIH (NIDA, NIAAA, NIMH NIC), SAMHSA, and AHRQ, VA QUERI National Meeting, Washington, D.C.
- 2011 Organizer, Workshop Session, "'A New 'Hybrid'? Combining Elements of

Clinical Effectiveness and Implementation Research Trials.” National Meeting of the Health Services Research and Development Services, Department of Veterans Affairs, Washington, D.C.

- 2012 Member, Organizing Committee, UAMS Translational Conference on Addiction, University of Arkansas for Medical Sciences, April 2012.
- 2015 Organizer/Chair, panel session, “Effectiveness-Implementation Hybrid Designs: Clarification, Refinements, and Additional Guidance Based on a Systematic Review and Reports from the Field.” 8th Annual Conference on the Science of Dissemination and Implementation in Health, Washington, DC, December 2015.
- 2016 Organizer/Chair, panel session, “Advancing Implementation Research in Pharmacy Practice: Reports from a Growing Field.” 9th Annual Conference on the Science of Dissemination and Implementation in Health, Washington, DC, December 2016.

Current Funding

Current Grants as Co-Investigator:

PTC2017-06 (Teeter – PI) 11/15/17 – 06/30/19 NCATS
Testing Implementation Strategies to Support Community Pharmacist-Initiated Prescription and Distribution of Naloxone to Reduce Overdose of Opioids

- \$50,000 total costs
- The overarching goal of this study is to improve access to naloxone by using community pharmacies as prescribing and dispensing sites in order to prevent deaths caused by opioid overdose. The results of this study will be used to make additional changes to the materials and strategies and then create a “toolkit” that will be tested in a large implementation study in multiple pharmacies across Arkansas and the southern United States.
- Dr. Curran is Co-Investigator and leads the qualitative data collection and analyses.

PTC2017-07 (Thomas – PI) 11/15/17 – 06/30/19 NCATS
Implementation of Clinical Pharmacy Services Delivered via Telehealth to Federally Qualified Healthcare Centers

- \$50,000 total costs
- This project aims to develop and pilot test a protocol for delivering clinical pharmacy services via telehealth to patients of primary care clinics in largely rural underserved areas of Arkansas while also developing and pilot testing implementation strategies to support uptake and sustainability of the services.
- Dr. Curran is Co-Investigator and leads the qualitative data collection and analyses.

PTC2017-08 (Zorn – PI) 11/15/17 – 06/30/19 NCATS
An Implementation Strategy to Increase Appropriate Referrals for Genetic Counseling and Testing Among Patients at High Risk for Hereditary Cancer Syndromes

- \$50,000 total costs
- The goal of this study is to increase the number of patients who are at risk for an inherited cancer syndrome who get referred for appropriate counseling and testing.
- Dr. Curran is Co-Investigator and leads the qualitative data collection and analyses.

2 U54 MD002329-11 (Raczynski – PI) 9/23/17 - 8/31/22
Arkansas Center for Health Disparities (ARCHD)

NIMHD

- The overall theme for the Arkansas Center for Health Disparities (ARCHD) is to develop research to improve access to quality prevention and health care programs for racial and ethnic minorities with a goal of reducing health disparities.
- Dr. Curran is Co-Investigator and leads the qualitative data collection and analyses.

1U01MD010644-01U01 (Haynes, Yeary – PIs) 04/01/16 – 03/31/2021

NIMHD

Reducing Depressive Symptoms among Rural African Americans: REJOICE

- \$2,100,000 in total costs
- This grant utilizes a Hybrid-2 pragmatic-effectiveness implementation trial to test the effectiveness of a culturally adapted evidence-based intervention while gathering preliminary data on the strategies necessary to support successful implementation of this intervention in rural African American churches.
- Dr. Curran is Co-Investigator and leads the qualitative data collection and analyses.

1 I01 HX001133-01 (Cucciare, PI) 10/1/14-3/30/19

VA/HSR&D

A Computer Assisted Cognitive Behavioral Therapy Tool to Enhance Fidelity in CBOCs

- \$875, 501 in total direct costs
- The purpose of this study is to develop and evaluate the effectiveness of a computer tool to assist therapists in providing cognitive behavioral therapy with fidelity, and to assess how to best to support future implementation of the tool.
- Dr. Curran was PI, but transferred this grant to Dr. Cucciare when he reduced his VA appointment in 2014.

Completed Funding

Completed Funding as Principal Investigator:

R24 MH085104–01A2 (Curran, PI) 9/01/10 – 5/30/17

NIH/NIMH

Partnership for Implementation of Evidence-Based Practices in Rural Primary Care

- \$2,498,000 in total direct costs
- The purpose of this grant is to develop and sustain and Implementation Partnership that will focus on the adoption of evidence-based practices by rural Community Health Centers. The partnership is based on the principles of evidence-based medicine, continuous quality improvement, and participatory research.
- Dr. Curran was initially Co-PI, but took over as PI in 2014 when Dr. Fortney left UAMS.

NCPA (Curran, PI)

7/15/15-6/1/16

NCPA

Medication Synchronization Satisfaction Study: Patient and Provider Perspectives on Implementation

- \$87,500 in total direct costs
- The purpose of the grant, funded by the National Community Pharmacists Association, was to evaluate patient satisfaction with a medication synchronization program implemented in 80 community pharmacies in AR, as well as to evaluate implementation barriers and facilitators among participating pharmacists.
- Dr. Curran was PI and led the evaluation of the program implementation from the pharmacists' point of view.

ICX000452A (Curran, PI; Drummond, PI) 1/1/11-12/31/14 VA/CSR&D
An Ethnographic Study of Post-Deployment Substance Abuse and Treatment-Seeking

- \$1,054,845 in total direct costs
- The purpose of this study is to perform an in-depth ethnographic investigation of the complex interactions between substance use, perceptions of benefits and harm of substance use, and attitudes and intentions to seek treatment among a sample of reintergrating National Guard soldiers in Arkansas.
- Dr. Curran was PI initially, but transferred this grant to Dr. Drummond when he reduced his VA appointment in 2014.

DM090465 (Curran, PI) 12/10/10-6/30/15 DoD/ US Army MRMC
Linking Returning Veterans in Rural Community Colleges to Mental Health Care

- \$1,119,762 in total direct costs.
- The purpose of this study is to develop a screening and linkage-to-care intervention that is feasible in the community college setting and acceptable to the population of student veterans and their families.

HSR&D TPP 10-008 (Curran, PI) 1/1/2010-9-30/2016 VA/HSR&D
Advanced Fellowship Program in Health Services Research and Development

- The program funds 2-3 fellows per year, including a small research stipend for each.
- The goals of the programs are to 1) enhance health services research knowledge and skills of post-doctoral scientists, and 2) increase recruitment and retention of HSR&D research with the Department of Veterans Affairs.
- Dr. Curran was PI and Training Director. He came off this grant in 2014 when he reduced his VA effort.

CCR211-16 (Johnson, PI) 11/01/16 – 10/31/17 Cystic Fibrosis Foundation
Expansion of Specialty Pharmacy Services to include Cystic Fibrosis

- \$29,160 in total costs
- Dr. Curran is Co-Investigator and conducting semi-structured interviews with providers, pharmacy staff, and patients to document their experiences and seek recommendations for program improvement.

SDP-07-319 (Curran, PI) 8/01/08 – 9/30/13 VA/HSR&D
Training SUD Counselors CBT for Depression

- \$1,102,368 in total direct costs
- The purpose of this grant was to adapt an existing training manual for SUD counselors to learn cognitive behavioral therapy (CBT) for depression into a web-based training program. The project also developed and pilot tested a supervision-facilitation plan to support implementation of CBT.

K01 DA15102 (Curran, PI) 10/01/03 – 12/31/08 NIH/NIDA
Technology Transfer of Depression Management in SUT

- \$694,285 in total direct costs
- The purpose of the grant was to provide training in the theory and methods of technology transfer (diffusion of innovation). The grant also provided for a technology transfer project in four community residential substance abuse treatment programs to

develop and implement an algorithm for assessment and treatment of comorbid depression.

- Sponsor: Richard R. Owen, MD, University of Arkansas for Medical Sciences
- Co-Sponsor: Brian Mittman, Ph.D., University of California, Los Angeles

SUT 02-211 (Curran, PI) 04/01/03 – 03/30/06 VA/HSR&D

Translating Depression Guidelines into VA Substance Abuse Treatment

- \$476,410 in total direct costs
- The purpose of this grant was to develop and test an intervention in VA outpatient substance abuse treatment clinics to improve recognition and treatment of depression.

Completed Funding as Co-Principal Investigator:

SDP-08-316 (Kirchner, PI) 2/10/09 – 7/01/12 VA/HSR&D

Blended Facilitation to Enhance PCMH Program Implementation

- \$1,179,771 in total direct costs
- The purpose of this grant was to test the effectiveness of a blended internal-external facilitation model for implementing evidence-based practice depression care models in primary care settings. If this model is found to be effective, it can be used to build network or facility-level infrastructure support that will facilitate the VA's ability to achieve evidence-based practice change in general.
- Dr. Curran was Co-Principal Investigator.

IIR 98-006 (Booth, PI) 07/01/00 – 06/30/03 VA/HSR&D

Patterns of Health Service Use Associated with Substance Use Treatment

- \$510,756 in total direct costs
- The purpose of this project was to investigate the service use patterns and cost offsets associated with receiving and completing treatment for substance use disorders in the VA.
- Dr. Curran was Co-Principal Investigator.

Completed Funding as Co-Investigator:

R01DA034627 (Edlund, PI) 05/15/14 - 04/30/18 NIH/NIDA

Prescribers, Pharmacists, & the Opioid Dilemma: a Multi-Site Qualitative Study

- \$1,324,430 in total costs
- The purpose of this grant is to enhance our understanding, using qualitative interviews, of the decision-making processes that primary care providers (physicians, physician assistants, and nurse practitioners) and pharmacists use in prescribing and dispensing opioids.
- Dr. Curran is Co-Investigator and leads the qualitative data collection and analyses.

IIR 11-290 (Fischer, PI) 04/01/13 - 06-30-17 VA/HSR&D

Tailoring Interventions for Rural Veterans: What We Need to Know

- \$1,085,937 is total direct costs
- The purpose of this mixed-methods grant is to discover how mental health interventions should be tailored for use with rural Veterans. Survey and interview questions will solicit barriers to help-seeking and engagement with mental health interventions for rural Veterans and explore their ideas for adaptations.

- Dr. Curran is Co-investigator and is assisting with all aspects of the data collection and analysis.

MNH 98-000 (Kirchner, PI) 10/01/13 – 09/30/15 VA/HSR&D
The Mental Health Quality Enhancement Research Initiative (MH QUERI)

- \$1,350,000 in total direct costs
- This grant provides core funding for the Coordinating Center of the MH QUERI. The Center has been funded continually since 1998. The Center's mission is to coordinate and conduct research in the translation of research findings/evidence-based practices into routine clinical practice.
- Dr. Curran was Co-Investigator and Associate Director of the Center.

1 IP2 PI000338-01 (Sullivan, PI) 08/01/12 - 07/31/14 PCORI
Addressing Mental Health Needs of Rural African Americans

- \$640,118 in total direct costs
- The purpose of this grant was to gather information that can inform culturally congruent mental health delivery approaches for rural African Americans, while at the same time investigating two different approaches to collecting that information-- focus groups and community forums.
- Dr. Curran was Co-Investigator and led the qualitative data collection and analyses.

COIN2013 (Owen, PI) 10/1/13 – 9/30/18 VA/HSR&D
The Center for Mental Healthcare and Outcomes Research (CeMHOR)

- \$3,000,000 in total direct costs
- This grant provides funding for the CeMHOR, a designated Center of Innovation in the VA's Health Services Research and Development Service.
- Dr. Curran was Co-Investigator and Leader of the Mentoring and Career Development Core. He came off this center in 2014 when he reduced his VA time.

R01 DA026837 (Borders, PI) 08/1/10-7/30/13 NIH/NIDA
Rural and Urban African-American Cocaine Users Perceived Need for Care

- \$1,052,960 in total direct costs
- The purpose of this grant was to contrast rural and urban users in perceived access and other issues surrounding perceived need for drug treatment and HIV testing.
- Dr. Curran was Co-Investigator and led the qualitative component of the study.

3R01DA024575-03S1 (Stewart, PI) 9/1/09-8/30/11 NIH/NIDA
Reducing Sexual Risk Behaviors among Rural African-American Cocaine Users

- \$367,091 in total direct costs
- The goals of this supplement grant was to assess rural African-American cocaine users' help-seeking behavior, experiences, perceptions, and preferences regarding HIV testing and prevention services, and to better understand the barriers and facilitators that substance use treatment and other service providers perceive to integrating HIV testing into their programs.
- Dr. Curran was Co-Investigator and directed the qualitative data collection.

SAMHSA 4900009520 (Booth) 12/01/05-11/30/10 SAMHSA
Strategic Prevention Framework: State Incentive Grant

- \$1,134,000 in direct costs

- This grant provided infrastructure for community-driven prevention programs. Dr. Curran worked on the Epidemiology Workgroup which collected and analyzed substance abuse information, focusing on consumption and consequences of substance abuse.
- Dr. Curran was Co-Investigator and led the qualitative data collection.

MNT-05-152 (Pyne, PI) 01/01/06 – 6/30/10 VA/HSR&D
HIV Translating Initiatives for Depression into Effective Solutions

- \$898,605 in total direct costs
- The purpose of this grant was to adapt and implement a collaborative stepped-care model for depression treatment in VA HIV Clinics. This was a multi-site project.
- Dr. Curran was Co-Investigator and led the formative evaluation of the intervention.

U01MN070022 (Sullivan, PI) 9/1/05 – 5/30/10 NIH/NIMH
CALM: Coordinated Anxiety Learning and Management

- \$3,478,255 in total direct costs across UAMS, RAND, UCLA, and Univ. of Washington.
- The purpose of this grant was to test the effectiveness of the CALM intervention (collaborative care for anxiety disorders in primary care) in a randomized controlled trial.
- Dr. Curran was Co-Investigator and performed the qualitative analyses on implementation of the CALM intervention.

IMV 04-360 (Fortney, PI) 10/01/05 – 12/31/09 VA/HSR&D
Implementing Telemedicine-Based Collaborative Care for MDD in Contract CBOCs

- \$1,354,349 in total direct costs
- The purpose of this grant was to test an implementation strategy for VA assisting community-based outpatient clinics (CBOCs) in adopting a collaborative care model for treating depression.
- Dr. Curran was Co-Investigator and led the organizational-level data collection.

MH 20024-06 (Smith, PI) 07/01/04 – 09/30/09 NIH/NIMH
Training Program in Health Services Research

- \$1,024,798 in total direct costs
- This grant provided for postdoctoral fellowships for M.D. or Ph.D. trainees in mental health services research.
- Dr. Curran was Co-PI on this project and served as Fellowship Director.

AR-030609-069 (Miller, PI) 10/01/03 – 9/30/08 SAMHSA
Meeting the Needs of Dually Diagnosed Arkansans

- \$1,124,806 in total direct costs
- This purpose of this grant was to develop, implement, and evaluate a program through the Arkansas Division of Behavioral Health Services to begin statewide screening, assessment, referral, and treatment of persons with co-occurring substance use and psychiatric disorders.
- Dr. Curran began as Project Evaluator, then moved into a Consultant role due to the funding of his NIDA K01 Award.

MNT 02-212 (Owen, PI) 04/01/03 – 03/30/05 VA/HSR&D
A Study of Strategies to Improve Schizophrenia Treatment

- \$499,456 in total direct costs

- The purpose of this grant was to test different implementation strategies in facilitating the adoption of evidenced-based treatments for schizophrenia. This was a multi-site project in south central region of the VA.
- Dr. Curran was Co-Investigator.

HFP 90-019 (Owen, PI) 10/01/03 – 09/30/07 VA/HSR&D
Centers for Mental Healthcare and Outcomes Research

- \$5,310,045 in total direct costs
- This grant provided core funding for the Center of Mental Healthcare and Outcomes Research, a VA HSR&D Center of Excellence (this was the center's 3rd renewal). The center's mission was to coordinate and conduct research into issues of access, utilization, quality and costs of mental health and substance abuse treatment in the VA.
- Dr. Curran was Co-Investigator.

P50MH48197 (Smith, PI) 10/01/98 - 09/30/2003 NIH/NIMH
Center for Mental Health Services Research

- \$3,727,150 in total direct costs
- This grant provided core funding for the Center for Mental Health Services Research, a large P50 research center funded by NIMH. The centers mission was to facilitate research on mental health services delivery and quality.
- Dr. Curran was Co-Investigator.

MNH 98-000 (Smith/Owen PI) 10/01/1998 – 9/30/09 VA/HSR&D
The Mental Health Quality Enhancement Research Initiative

- \$4,500,000 in total direct costs over 11 years (multiple renewals, not including current center grant noted above)
- This grant provided core funding for the Coordinating Center of the Mental Health Quality Enhancement Research Initiative.
- Dr. Curran was a co-investigator and served as Associate Director of the center.

MNT 01-033 (Owen, PI) 10/01/00 – 09/30/02 VA/HSR&D
Mental Health QUERI Translation Plan to Improve Antipsychotic Treatment

- \$451,687 in total direct costs
- This purpose of this grant was to test a strategy for improving medication management practices for schizophrenia. This was a multi-site study in the VA's south central region.
- Dr. Curran was Co-Investigator and lead methodologist on the project.
