

UAMS PGY-2 Pharmacy Residency Program in Ambulatory Care

Number of Positions: 1

Background and Special Features

The PGY2 Ambulatory Care Pharmacy Practice Residency through the University of Arkansas for Medical Sciences (UAMS) College of Pharmacy provides the resident with diverse learning opportunities in the field of ambulatory care pharmacotherapy and academia, with a goal of preparing the resident for independent practice in a variety of settings. Experiences range from the UAMS 12th Street Health & Wellness Center,

an interprofessional, student-led, free clinic, to community-based patient-centered medical homes to traditional specialty practices on the UAMS campus. The resident will precept pharmacy students, be exposed to students and residents from several other health professions, and complete the UAMS College of Pharmacy Teaching Certificate and the Research Certificate Programs.

Structure

Required Longitudinal Experiences

- Internal Medicine Clinic
- Family Medicine Clinic
- Longevity/Geriatrics Clinic
- Community-Based Telehealth
- 12th Street Health & Wellness Center

Elective Experiences

- Multiple generalist or specialist opportunities available
- Based on resident interest, as approved by RPD

Additional Responsibilities

- UAMS Teaching Certificate Program
- Family Medicine Grand Rounds
- UAMS Research Certificate Program
- Longitudinal Research Project

Application Process

Eligibility

Applicants must have a Pharm.D. degree from an ACPE-accredited school of pharmacy, have completed or be in the process of completing a PGY1 pharmacy residency (ASHP-accredited or candidate status), be eligible for Arkansas licensure, and be willing to participate in an on-site interview. The PGY2 Ambulatory Care Pharmacy Residency is accredited by ASHP and is participating in the ASHP Match.

Applicants must submit the following documents via PhORCAS by January 5:

- Pharmacy school transcript
- Curriculum vitae
- Letter of intent
- 3 Letters of recommendation
